I am the owner/authorized agent of the animal described below and authorize Old Dominion Animal Health Center (ODAH Center) to provide services as necessary to preserve the pet's life and well-being, and I absolve and release ODAH Center from any loss, expense, or liability arising from the performance of these services. In the event of a medical emergency, outside of regular hours, ODAH Center may transport the pet to a 24-hour emergency clinic, and I authorize ODAH Center staff members to grant permission for diagnostics and treatment at that facility until I am able to be contacted. All fees incurred at that 24-hour emergency clinic and/or ODAH Center, as well as all liabilities or losses are the sole responsibility of the owner or agent. I also understand that the animal must be current on all vaccinations and be free of fleas. I authorize the animal to be vaccinated and treated for fleas if necessary. I understand that the center is closed and not medically staffed outside of regular business hours; however, an experienced staff member lives on the premises and staff is present for cleaning, feeding, and exercising during off hours. I accept all financial responsibility for the above services, including any emergency clinic fees, and understand that, unless agreed to in advance, these fees must be paid before the pet is released.
